## **Exploring the role of food SMEs and informal food markets in enhancing food security among low-income consumers in South Africa's urban areas: The Case of Johannesburg and Pretoria**

Dear Reviewers

This is the first time submitting this paper, which focused on the consumers of the study. We also developed a policy brief, uploaded with the paper.

**Primary authors:** Dr OWUSU-SEKYERE, Enoch (Department of Agricultural Economics, Extension and Rural Development, University of Pretoria); NTULI, Herbert (University of Pretoria); SCHÖNFELDT, Hettie (University of Pretoria); SAYED, NAZEEIA (UNIVERSITY OF PRETORIA); KARUAIHE, Selma (University of Pretoria); FITAWEK, Wegayehu (University of Pretoria)

**Track Classification:** Mid-Review Track: second papers.: Economics Papers : Mid-Review
